ABOUT US

Yashwantrao Bhonsale Polytechnic, Sawantwadi established in 2014, is a comprehensive technical institute located at Charathe (Vazarwadi), Sawantwadi, Dist-Sindhudurg enjoying a picturesque setting that is unique among the educational set up of this region of Maharashtra. Having a distance of 2.5 km from city of Sawantwadi, it is a quiet and peaceful place maintaining an atmosphere where faculty and students would take the process of teaching and learning seriously.

The Diploma Engineering courses in this institute prepare students for courses in technical education and professional Programme in Civil, Mechanical, Electrical and Computer Engineering through teaching of theory, training in drawing and required practical skills for three years.

A student after successfully completing Diploma in engineering is eligible to enter and get employed in any Government Department, Private and Public Sector establishment and in any small or big industrial unit. The more enterprising individuals may think of having their own industrial or business organization. All the efforts of this institute are in this direction only.

| Course Name | Intake |
|------------------------|--------|
| Mechanical Engineering | 120 |
| Civil Engineering | 60 |
| Electrical Engineering | 60 |
| Computer Engineering | 60 |
